"Commander X", a self-alleged member of a government intelligence network called "THE COMMITTE OF 12", who are devoted to defending the Earth and preserving our constitutional Freedoms, mentioned the following details that he and other associates of his had uncovered:

"...The underground...base outside of Dulce, New Mexico, is perhaps the one MOST FREQUENTLY referred to. It's existence is most widely known, including several UFO abductees who have apparently been taken there for examination and then either managed to escape or were freed just in the nick of time by friendly... forces.

"According to UFO conspiracy buff and ex-Naval Intelligence Officer Milton (William) Cooper, '...a confrontation broke out between the human scientists and the Aliens at the Dulce underground lab. The Aliens took many of our scientists hostage. Delta Forces were sent in to free them but they were no match for the Alien weapons. Sixty-six people were killed during this action. As a result we withdrew from all joint projects for at least two years...'

"CENTURIES AGO, SURFACE PEOPLE (some say the ILLUMINATI) entered into a pact with an 'Alien nation' HIDDEN WITHIN THE EARTH." Commander X alleges. "The U.S. Government, in 1933 agreed to trade animals in exchange for high-tech knowledge, and to allow them to use (undisturbed) UNDERGROUND BASES, in the Western U.S.A. A special group was

formed to deal with the 'Alien' beings. In the 1940's 'Alien Life Forms' (ALF) began shifting their focus of operations, FROM CENTRAL AND SOUTH AMERICA, TO THE U.S.A.

"The CONTINENTAL DIVIDE is vital to these 'entities.' Part of this has to do with magnetics (substrata rock) and high energy states (plasma)... This area has a very high concentration of lightning activity; underground waterways and cavern systems; fields of atmospheric ions; etc..."
